THE TWO FACES OF ANGELICA POINT

It's the best season for beachcombing. Peace has come to the places where the sand and stone meet the sea. Off in the far distance the clear air magnifies the distant islands that appear to leave the surface of the bay and float like mountains in mid air. The sea birds claim their own rocks as the natural pace begins to slow. Angelica foams on one side with the lively wind and foam whipping itself into bubbles that churn around the shore rocks. On the other side of the crescent of sand, the calm is complete and the water lies still as a pond.

7 days a week to boats there. The Selectmen inspected the plan for a concrete slab as a base for the truck and said that they would require a ramp for containment around the truck to guard against any accidental spill. They also would require that a boom be available to contain any spill on the water.

Selectman John DeCosta said that he would like to see the truck removed when no one was there to take care of it.

Selectman Bernard Talty said that he and the other Selectmen are concerned that fairly large cans of fuel are now being transported down Brandt Island Road by boat owners in private vehicles and they would like to see this discontinued. He told Mr. Ringuette that it would be understood that all fuel would have to be purchased from the Marina truck and that he, Mr. Ringuette, would be responsible for seeing that this requirement was met.

Mr. Ringuette replied that he would do so.

Town Counsel Donald Fleming advised that an escape plan should be prepared to comply with the EPA "Spill Containment Plan", a federal law.

Selectmen Chairman William Hubbard asked that Mr. Ringuette work out his plans with the various boards and then return to consult with Selectmen. He said that the Board looks favorably on the fuel truck.

Club met with Selectmen to ask town assistance in cutting down traffic and barring parking and use of their private beach for out-of-town board sailing.

Paul Fistori, President of the Board of Directors of the Reservation Golf Club, received a letter dated August 5, from the Boardsailors' Coalition of Massachusetts, expressing concern over reports of board sailing restrictions in Mattapoisett.

The letter stated in part:

"I understand that as a result of the restriction of boardsailors to Ned's Point, that the Reservation beach has become increasingly used. This has resulted in the blocking of the launching access and the limiting of access along the narrow roads. I also hear of automobiles traveling at an excessive speed along Reservation Road.

"One solution to these problems might involve some form of beach supervision. In your view, would it be possible to develop an access plan in which users paid an appropriate fee to cover costs?"

The golf course representatives said that, as a result of the fee at Ned's Point, the golf club beach has come under increased use as a parking, launching site. They are concerned about the increase of traffic along the town road through the golf course and about the speed of the vehicles and they are not interested in supervising the beach for any outside activity but want to keep it private.

Selectman Talty suggested that it might be possible to post a private beach notice up near the turn-off from Route 6 to notify out-of-town people. He said that the beach

might be posted for use by Reservation members and town residents.

Selectman DeCosta said that a sticker for Reservation members, a sticker for $50. and $100. shellfish license holders, a sticker for YMCA employees and the town privilege sticker might be used to identify cars.

Mr. Talty said that Town Highway Surveyor Wesley Bowman could make up signs to be posted near the golf course but that the $5. illegal parking fine would not be much of a deterrent.

Chairman Hubbard agreed and said that the Board should look at all fines. He said that a 15 MPH speed limit for Reservation Road would not be reasonable for that short stretch of road.

Mr. DeCosta made a motion to use town privilege stickers, shellfish stickers and Reservation stickers as parking permits and to post Reservation Road at a 15 MPH limit which was passed.

The Board said that Ned's Point is open to board sailors and that the 50 limit had not been reached this summer, so Mattapoisett is not shutting out the sport.

PLANNING SEMINAR

Elaine Sylvia advised the Board of Selectmen of a Strategic Planning Seminar consisting of 3 sessions. She urged that they send representatives from town

From Mattapoisett Postmaster

ADJUSTED HOURS FOR POST OFFICE

Mattapoisett Postmaster Roger D. Boucher has announced the adjusted hours of operation for the Mattapoisett Post Office, beginning September 10.

The Mattapoisett Post Office will have weekday hours of 8:30 a.m. until 5:30 p.m. and Saturday hours from 8:30 a.m. until 12:00 noon.

Several months ago the U.S. Postal Service found it necessary to reduce Post Office window hours the equivalent of one-half day per week in most facilities as a result of federally mandated budget cuts.

During the past month Postmasters around the country have been speaking with their customers and monitoring lobby lines at various hours of the day. The goal was to identify and then implement window hours which best meet community needs.

Customers are also reminded to use the "stamps by mail" form available at the

Workshop: Marion's Future

MARION PLANNING BOARD

A vitally important workshop on Marion's future, organized by the Marion Planning Board, will be held Monday, September 26th, at 7:30 p.m. in the Sippican School Cafeteria. Every citizen is urged to attend.

Mr. Burk Ketcham, Planning Board Consultant, will present different concepts concerning land use options for the public to review and discuss. A copy of his Marion Land Use Plan proposal including explanatory maps is available at the Elizabeth Taber Library and the Town Hall for public viewing.

The evening workshop, after Mr. Ketcham's presentation, will consist of small round-table discussion groups. Each group will be able to review and make suggestions as to how Marion should look in the 21st century.

Some of the suggestions that will be discussed are: a pathway/bikeway linking Wings Cove to Silver Shell Beach, cluster zoning, multifamily housing, increased open space, an office park, an historic area, and many other interesting ideas.

Please plan to come on September 26th. The future of Marion depends on your involvement.

Biggest Ever Rummage Sale

This year's Marion Visiting Nurse Association Rummage Sale, moved to the spacious quarters afforded by Howard Johnson Arena at Tabor Academy, should prove to be the biggest and best ever. The sale is scheduled to begin Friday, September 23rd, at 10:00 a.m. Hours have also been expanded to 10:00 a.m. to 5:00 p.m. on Friday, and 10:00 a.m. to 1:00 p.m. on Saturday.

The hall will be open to receive articles Tuesday through Thursday (September 20-22) from 9 to 4. Donations are gratefully received. Earlier collections may be left inside St. Rita's Rectory garage, 113 Front Street, Marion, or call Mrs. Margot Arms, 748-0762, or Mrs. Joyce West, 748-2345.

All proceeds from the sale support the provision of high quality home health care, well-child clinics, blood pressure clinics, and other services of the Marion Visiting Nurse Association.

Mattapoisett P.T.C.

"When is a good age to start kids in competitive sports?"

"My son is totally non-competitive in school - should I be worried?"

"My two children are always trying to out-compete one another for my attention - what should I do?"

These and any other questions about competition will be addressed in the first Mattapoisett Parent-Teachers' Club meeting of the school year on September 22nd at 7:30 p.m. at Old Hammondtown School auditorium.

Introducing a new format, the P.T.C. will begin with a brief business meeting and move to a panel presentation on the topic of Kids and Competition.

Dr. Richard Lane, a clinical psychologist from Marion, will address the emotional aspects of competition - Why do we need it? What effect does it have on our children?

Dr. David M. Callahan, a clinical psychologist with a group practice, Plymouth Psychological Associates in Wareham, will discuss the positive and negative aspects of competition as relates to athletics and academics.

Susan Bellevue, School Adjustment Counselor at Center and Old Hammondtown Schools, will also be on our panel to answer questions and be "devil's advocate" to both our speakers, posing "What If...?" questions.

The panel will then be open to any questions you might have.

Competition is an extremely important and confusing issue confronting parents and teachers. Our panel of experts has extensive experience working with school-age children and will hopefully help us define the fine line between pushing and preparing kids for today's world.

This promises to be a stimulating, provocative and educational evening. We are hoping it will entice parents to come!

eye talk

Q. My 8-year-old grandson is in a remedial reading class. He omits words and confuses similar words when reading. He scored 20/20 in the school eye test but could he still possibly have a vision problem?

A. Your grandson may have a learning-related vision problem. These typically cannot be detected during a school vision screening.

Have his vision examined by an optometrist experienced in treating learning-related vision problems. Bring along a list of symptoms you, the parents and teachers have noticed. This will help with the diagnosis.

If a learning-related vision problem exists, treatment may involve glasses alone or vision therapy or a combination of the two. Vision therapy programs use specially prescribed visual tasks to help the eyes learn or relearn needed vision skills.

Overcoming a learning-related vision problem will not automatically end your grandson's reading problem but it will help him to respond more effectively to the remedial reading program.

OctoberFirst

Yiiihaaa! It's a harvest hoedown!

OctoberFirst, the first Parent-Teachers' Club fund-raiser of the year, will be sponsored on October 1st, from 4:00 to 8:00. It promises to be a real family affair, celebrating the end of the summer and the arrival of autumn.

We'll start at 4:00 with pony rides, sack races, dunking for apples and face painting. There'll be a pie baking contest and pumpkin carving craftsmen.

We will be having a delicious spaghetti supper and afterwards we'll clear the floor and make way for an evening of square dancing with caller Paul Letourneau.

So, practice your knee-slapping, round up the kids and watch for this fun-filled family event on OctoberFirst. More details to follow!

Center for Human Services

INVITES PUBLIC TO FALL AWARENESS

The Marion Center for Human Services cordially invites local residents to a series of fall Awareness Hours. The upcoming series focuses on alcohol and substance abuse, its effects on families, and choices for recovery. The awareness hours will be held at the Marion Center, 335 Wareham Road in Marion from 10:00 a.m. to 12:00 noon on the following four Saturdays throughout the fall: September 17, October 15, October 29 and November 19.

"Maybe you've been worried about a family member's drinking," comments the Marion Center's Acting Executive Director Nancy Mahoney. "You're not sure whether to call it alcoholism, and you're not sure what to do. Or maybe you have some questions about your own drinking or use of drugs.

"The awareness hours," Ms. Mahoney continues, "are a place to come and ask questions, to get some answers, and to

called "Romance to Recovery". This film, narrated by Dr. Joseph Pursch, provides insight into alcoholism as a family disease. Dr. Pursch introduces a typical family in a typical, predictable and preventable alcoholic/co-alcoholic relationship. The film's emphasis is on recovery -- both for the alcoholic and for the whole family.

The October 15 session will feature a film called "Feelings", narrated by Father Martin, about the many feelings alcoholics and their families experience, with goals for recovery and wholeness. On October 29 a film called "The Family Trap" will be shown; narrated by Sharon Wegscheider, this film describes the survival roles members of an alcoholic's family take on, with choices for recovery.

On November 19, Marion Center staff member Robin Cambra, a licensed social worker and certified alcohol counselor, will present a talk on "Drugs, Alcohol and Adolescents". He will discuss how parents can talk to their adolescent children about alcohol and drugs and how they can set guidelines around these issues.

Our first P.T.C. meeting is September 22nd at Old Hammondtown School Auditorium. It will feature a panel discussion on the subject of Kids and Competition. Dr. David Callahan and Dr. Richard Lane, both clinical psychologists, and Susan Bellevue, School Adjustment Counselor, will speak and answer questions. Please join us.

In the past, the P.T.C. has sent home a membership form asking for a $1.00 donation to join. This year, our membership drive will be mailed home the third week of school and will offer parents three different donation options besides this usual fee. For each $15.00, $25.00 or $100.00 donation, parents, teachers and interested community members will receive certain benefits throughout the year. Please look for this in the mail, at our meetings, or at fund-raisers. Call Katherine Roberts-Gaudet at 758-9403 for more information.

Last year the Parent-Teachers' Club spent almost $7000.00 on programs, activities, and gifts at Center and Old Hammondtown Schools. From bringing in a N.A.S.A. scientist to talk about the space program to providing popsicles at Mini-Olympics, the P.T.C. was there to provide your children with many, many enriching experiences. Please, we need this community's support, talent, and resources. Get involved. Become a member. Help us give these children the educational extras they deserve.

Capeway Softball League

BRAD'S CAPTURES CHAMPIONSHIP

Finals of the season for the Capeway Softball League were played at Center School on Sunday between Brad's and Mattapoisett 3.

In a seesaw game, the score was tied in the bottom of the seventh inning until Charlie Schlagel hit a homerun to give Brad's the win.

Hard hitting by "Mugsy" Beaton, good fielding by Kenny Couto and a strong pitching performance by Bruce Hiller enabled Brad's to win the play-offs by taking two straight games.

At the conclusion of the games, League Commissioner Vin Walker presented trophies to the following:

Brad's Cafe, first place.
Charlie's Construction, second place
Mattapoisett 3, third place
Tripp's Plumbing, fourth place.

The League play-off trophy was awarded to Brad's with Mattapoisett 3 receiving runner-up.

Charlie Schlagel captured the trophy for Most Valuable Player.

Women's Golf

Members of Plymouth Country Club and Otis Golf Course were the guests of The Little Harbor W G A on Wednesday, September 7th. Ninety-five players participated in a five-ball, best-ball tournament. Two teams tied for first place: Wendy Forbes, Dot Greene, Ann Kallio, Adeline Newby, Claire Boyer and Arlene Garbacik, Flo Hotte, Kay Harry, Esther Chapman,

ZANY COMEDY, "THE NERD"

Theatre One Productions, Route 105 in Middleboro, will be opening its 7th season this fall with the funniest play ever written, "The Nerd", by Larry Shue. The dates of the show are September 15, 16 and 17, September 23-24 and September 30-October 1, at 8 p.m.

The action centers on the hilarious dilemma of a young architect who is visited by a man he has never met before BUT who saved his life in Vietnam. The visitor turns out to be an inept, hopelessly stupid "nerd", who outstays his welcome with a vengeance.

The audience almost never stops laughing in this zany comedy.

Quilt Raffle for Tobey

Nine "Friends of Tobey Hospital" have been busy for months creating a detailed, handmade quilt. The full-size quilt, done in soft blues, pinks and greens, in the traditional Pennsylvania Dutch hearts and flowers pattern, has been donated and will be raffled to benefit the hospital's Capital Campaign. The drive which is now underway will fund the emergency room expansion.

The quilters are: (pictured from left), Muffy Marlio, Nancy Putnam, Betty Young, Cinnie Evans; and (not pictured), Carol Cudahy, Posy See, Lenkie Adamson, Jane Barker, and Bonnie Sorterup, all of Marion.

The quilt may currently be seen at the hospital and will be displayed at several locations in area towns over the next few weeks. Raffle tickets for the quilt are being sold at $1.00 each or 5 for $6. and may be obtained at the hospital gift shop or development office and from any of the quilters themselves. The winning ticket will be drawn at Tobey's 6th Annual Invitational Golf Tournament on Monday, October 10th, at the Kittansett Club in Marion.

Al Hirt Opens Season

Al Hirt, one of the greatest trumpet virtuosos in the world, will perform at New Bedford's Zeiterion theatre on Saturday, September 24th, at 8:00 p.m. First labeled as a Dixieland player, Hirt is really a complete pop stylist who can fit into Dixie, swing, jazz and pop genres. Tickets are priced at $23.00, $21.00 and $19.00 with a $2.00 discount for senior citizens and students. For more information on tickets, group packages and season subscriptions call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

A performer for over 50 years, Hirt has performed throughout Europe and the United States, had his own television show and used to own a jazz club on Bourbon Street in New Orleans. Accredited with over 40 LP recordings and numerous hit singles, he has four gold albums, one platinum and a "Grammy" for his hit recording of "Java".

Born and raised in New Orleans, Hirt began his studies on the trumpet at age six, and by the time he was thirteen he was considered a "child prodigy". After high school Hirt received a scholarship to attend the Cincinnati Conservatory of Music where he really learned to play his trumpet by only studying classical music. As he has said, "To play jazz you have to know your instrument and studying classical music prepares you for that."

When critics attempt to classify Hirt, he

New Alchemy Institute

HARVEST FEST

The New Alchemy Institute on Cape Cod will be hosting its annual Harvest Festival this year on September 17th from 10:00 to 4:30.

Traditionally, harvest has been a time of celebration, and this year at New Alchemy will be no exception. The theme of this year's fest, "The Good News Is...Successes on the Pathway to an Ecological Future", reflects not just the joy of bringing in a bountiful harvest but also of meeting some of the goals toward reaching a sustainable society.

The keynote address will be given by Wes Jackson, Co-Director of the Land Institute in Salina, Kansas, and one of the country's foremost researchers and specialists in alternative, sustainable agriculture.

A scholar and a scientist, Jackson is known for his eloquence and humor. He is the author of several books including Man and the Environment, New Roots for

Garden-fresh produce, cut flowers, home-baked goods, homemade fudge, the cheese wagon, "treasures & trash" table, lunch stand, and lots more are to be found at this year's market. Live country music adds to the festive atmosphere.

The "scarecrow contest" offers some special fun for youngsters and their parents. Stakes and straw will be provided for those wishing to create their own version of these cornfield characters. Plan to arrive at the market anytime between 11 a.m. and 1 p.m. and bring along your own "fixings" - hat, old clothes, etc. Other fun activities include pony rides, face painting, games of chance, Farmer Brown's grab bag, and personal appearances by Peter Rabbit himself.

Come and enjoy an old-fashioned Farmer's Market! Rain date is September 25th.

HALLOWEEN!, October 29. The Scary Creatures Program for children ages 5-7 is scheduled for Saturday, October 29th, from 9 a.m. to noon. Halloween is associated with many folk legends about owls, bats, and other scary creatures. Children will have fun learning about the true life histories of these animals and go on a "goblin" scavenger hunt on MBO's grounds. Pre-registration is required. The fee is $5. for MBO members; $7. for non-members.

Manomet Bird Observatory is a membership-supported, non-profit research and education center dedicated to long-term environmental studies. The summer of 1988 has increased everyone's awareness of the stresses on our environment, in the U.S. and globally, and the need for corrective action. MBO's research on birds, marine mammals, salt marshes, gypsy moths, tropical forests, and the impact of technology on habitats and wildlife is helping environmental decision makers to anticipate and prevent ecological disasters that can affect humans as well as wildlife. Bourne Bridge Repairs

BRIDGE WORK RESUMES

Repairs to the Bourne Bridge resumed on September 13th, according to the U.S. Army Corps of Engineers. During the week two way traffic will be maintained.

The repairs are part of a nearly $1. million contract to replace pavement and lights and waterproof sidewalks on both the Bourne and Sagamore highway bridges over the Cape Cod Canal. Work has been suspended for the summer tourist season. All work on both bridges is expected to be complete by the end of the year.

The remaining work on the Bourne Bridge includes continuation of pavement repairs and the sidewalk waterproofing. Light installation was completed in the spring.

Once the Bourne Bridge work is complete early in October, efforts will shift to the Sagamore Bridge where pavement and sidewalk work will be accomplished.

Westport Historical Society

A LESSON IN DRYSTANE DYKING (AMERICAN TRANSLATION: DRY STONE-WALL BUILDING)

David Goulder, the only registered dyking instructor in the highland region of Scotland, will show slides of dry stone-walls in Europe and American. Wall-building techniques of both countries will be compared. Sponsored by the Westport Historical Society, Inc., this program will be held Friday, September 23rd,

Adult Literacy Program

As a new school year begins, the New Bedford Adult Literacy Program is once again recruiting volunteers to help in their classes, which will begin soon. Pamela Humphrey, volunteer facilitator, announces the program has joined forces with the Commonwealth Literacy campaign. CLC (as it is called) is offering excellent orientation and training sessions for the potential volunteer. These sessions offer proven techniques for the teaching of reading, plus some innovative approaches geared to the adult learner.

The first volunteer orientation session will be held Friday, September 16 at the YWCA on Spring Street at 9:00 a.m. Evening sessions will also be scheduled. Please call Pamela Humphrey at 997-4511, ext. 3372 if you are interested.

Based on last year's figures, Mrs. Humphrey is expecting a large turnout of volunteers. Forty-nine volunteers worked a total of 1,809 hours last year. It was such a great success, a goodly number of returnees is anticipated.

People committed to eliminating illiteracy in the Greater New Bedford area are urged to call as soon as possible. Help start a new chapter in somebody's life!

Driver Education

Enrollment for Driver Education at Old Rochester Regional High School is now taking place. A student must be 16 years of age or older to enroll. Students from ORR will be given first available seats as the program is a school-sponsored one.

Please call the high school for further information. Registration period ends Friday, September 16th. The class will be scheduled to begin on Tuesday, Sep-

The program's monthly get-together will be held 1:00-3:30 p.m. on Wednesday, September 14th, at the Buttonwood Community Center. Join the many volunteers assisting the frail elderly in the Greater New Bedford area. Call 999-3255 for more information.

From Old Colony

COURSE IN APPLIED ECONOMICS

Old Colony Regional Vocational Technical High School will be offering Seniors a course in Applied Economics this coming school year. This course is unique in that it is sponsored by ComElectric and it was developed by Junior Achievement (J.A.). The corporate sponsor (ComElectric) will be contributing $900.00 for all textbooks and supplies along with providing a consultant who will participate in the classroom instruction once a week.

The purpose of the Applied Economics course is to afford students valuable experiences in operating their own business.

Old Colony is one of only three schools in the area that will be offering this course and the only vocational school to offer such a course.

N.B. Glass Museum

EARLY GLASS FOLIAGE TRIP

The New Bedford Glass Museum is sponsoring a special trip during foliage season to Williamstown and historic Deerfield, Massachusetts on Saturday, October 15th.

The trip's highlight will be this fall's special exhibition at The Clark Art Institute of the Albert and June Lauzon Collection of Early American Blown Glass. This famous private collection has lent over 90 pieces of rare blown glass, dating from the late 18th through the mid-19th centuries.

A private tour of the Lauzon Collection and an introduction to the world-famous Clark Art Institute collections will be given by NBGM Director Janie Chester Young.

A special luncheon will be included at the distinguished Williams Inn, a western Massachusetts landmark renowned for its

guides or library aides. Being a Museum volunteer is a way to offer service to the community and to improve one's own knowledge of the region's rich past.

Volunteers also make a significant contribution to the Whaling Museum which relies on its 86-member Volunteer Council for many services. Volunteers lead guided tours of both school and adult groups and provide information and assistance to the thousands of annual visitors. Library aides read and research log books and manuscripts in the Museum Library; other volunteers present lectures to school and community groups.

To qualify as a volunteer, an individual must complete the 13-week intensive course held on Mondays from 9 a.m. to 12 noon, beginning on October 3rd. The course covers such topics as the history of Greater New Bedford from its earliest settlement until the present, whales and whaling, maritime arts and artists who lived or worked in the New Bedford area.

After completion of the course, volunteers donate a minimum of one morning or afternoon per week to the Museum. Volunteer work at the Whaling Museum is an on-going learning experience and a satisfying part-time avocation in an agreeable and friendly atmosphere.

Interested people may call Irwin Marks, Chairman of the Volunteer Council, at 763-2488, or Pat Howard at the Museum, 997-0046 before September 16th.

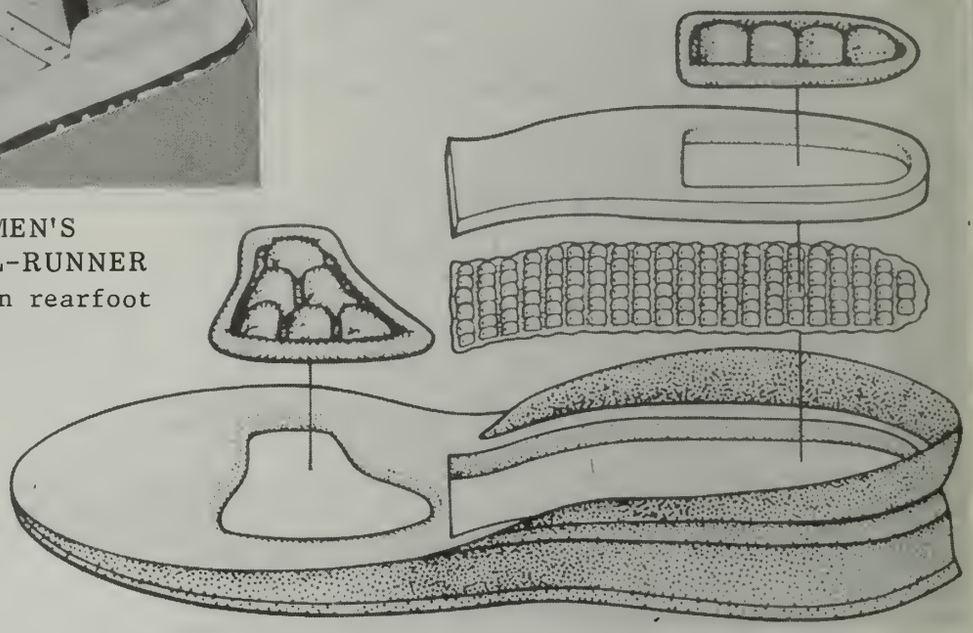
ASICS' GEL

More than just Superior Shock Absorption.

MEN'S
GEL-RUNNER
Asics' Gel in rearfoot

Stable

Asics' Gel outperforms more traditional cushioning methods. Because very small amounts of the unique silicone formula can absorb high amounts of force, low profile midsoles can be used, avoiding risk of injury. Asics' Gel also absorbs side-to-side impact.



Asics' Gel placement is determined by biomechanical needs associated with different types of sports.

Durable

The gel retains its shock absorbent characteristics and is encased in a rugged PVC packet so it won't leak or change shape.

Lightweight

Asics' Gel adds no significant weight to the shoe .. the lighter feel spells comfort to the athlete!

Other styles for both men and women available.
